CALLING PASTOR SPECIAL ORDER.

At Business Meeting of Baptist Church Tomorrow Night.

SEVERAL CONSIDERED.

Meeting Will Be One of
Greatest Importance to
the Church.

A business session of the Baptist church was held Sunday morning and a resolution adopted making the calling of a pastor a special order for tomorrow night, when the monthly business meeting will be held. The claims of several ministers of reputation, whose services are available, are being considered and it is likely that a pastor will be called.

A large attendance of the membership is desired and expected, as the meeting will be one of the greatest importance to the church.

FIRE ALARM

Called Out the Department
Early Sunday Morning.

Sunday morning at 3:30 an alarm was turned in from East Jackson street. The fire department made all possible haste but fortunately the flames were extinguished before it reached the objective point.

A double room house, the property of Dr. J. A. Gunn, and occupied by Lettie Starling and another colored woman, had caught on fire, both rooms being full of smoke before the women knew anything of their damages. The stifling smoke awoke Lettie Starling and she rushed to the door and gave the alarm. A colored man happened to be passing at the time and rushed in and put out the fire by the free use of a barrel of water. In a few minutes he would have been too late as the flames had gained good headway. The loss was insignificant.

CUTTING IN PROGRESS.

Tobacco Crop in Christian
Being Put in Barn.

Tobacco cutting is in progress all over the county and the farmers say the quality of the weed is the best for years. On account of a poor stand in some sections, and consequent late replanting, much of the tobacco is still green and cannot be housed for several weeks yet. Worms are very bad in some localities and a few crops have been abandoned.

JIM KEHOE GETS THE PLUM

Nominated a Fourth Time
In the Ninth Congressional District.

DEFEATED LAST TIME.

Was Not a Candidate But
Taken Up As Com-
promise.

Maysville, Ky., Sept. 1.—The Democrats of the Ninth congressional district met here today and nominated Hon. J. N. Kehoe for congressman, indorsed Bryan for the Presidency and refused to indorse the State administration. Kehoe was nominated on the twenty-eighth ballot when Judge Moore dropped out of the race and his home county (Harrison) cast its fourteen votes for Kehoe. The race was then narrowed down to E. B. Hager and Kehoe. Hager moved that the nomination be made unanimous.

The only excitement came when Chairman Will A. Young attempted to make a Beckham speech. Senator McCreary had been in Maysville all day, and it was apparent that his following was very strong. When Young began his speech there was an uproar and a stampede appeared imminent. The delegates hooted and howled. Young called them names that were not pretty and said that he would finish his speech in spite of them. He did finish, although the howl continued.
